

en-gk-pvx

Polycom PVX software based videoconference client

1. Enter Setup menu (wrench icon at upper left).
2. Set your name under General->General (User Name). (Note: this is not mandatory. Although, a name identifying you or your institution could be useful for remote users.)
3. Set the following under H.323:
 - Gatekeeper: Specify
 - Gatekeeper IP Address: fz-gk.vvc.niif.hu
 - H.323 Extension: extension number (see step 1 above)

After a successful registration the following notification will appear under Gatekeeper IP Address field: "Gatekeeper registration was successful. It is now possible to place calls using IP, H.323 extension (E.164) or H.323 name (alias)".
