Videoconference FAQ

For Hungarian language version, please click [here](#).

NOTE: not all questions are covered in this guide that are written in Hungarian. Only answers positioned for international users of our services are available on this page. You might be able to get useful technical information at [educonf](#) project webpage.

1. [How can I dial into videoconferences using an ordinary phone?](#)
2. [H.323 and firewalls/NATs - what should I do to get it working?](#)
